Sheridan County Health Services Directory

This directory contains contact information for a variety of services available from the health care system located in Sheridan County, KS. The directory also includes hotlines and Internet information for many kinds of services and information centers within the state of Kansas and across the United States. Special thanks to the members of the Sheridan County Rural Health Works Steering Committee and the Sheridan County Community Healthcare Foundation for their efforts in creating this directory.

This project is supported by the Medicare Rural Hospital Flexibility Grant (No. 5 H54 RH 00009-03) from the Health Resources and Services Administration Office of Rural Health Policy awarded to the Kansas Department of Health and Environment Office of Local and Rural Health. The Flexibility Grant is managed by the Kansas Rural Health Options Project, a public/private partnership of KDHE, the Kansas Hospital Association, the Kansas Board of Emergency Medical Services, and the Kansas Medical Society.
